

41st Annual Meeting of the German Pancreas Club

Hybrid Event | www.dpc-conference.org | Lübeck, Germany
10.-12. Februar 2022

Wissenschaftliche Leitung

Prof. Dr. med. Ulrich F. Wellner

Congress President
UKSH, Campus Lübeck

Prof. Dr. med. Tobias Keck

Director
Department of Surgery
UKSH, Campus Lübeck

Prof. Dr. med. Jens U. Marquardt

Director
Medical Clinic I
UKSH, Campus Lübeck

Prof. Dr. med. Nikolas von Bubnoff

Director
Clinic for Haematology and Oncology
UKSH, Campus Lübeck

Veranstalter und Organisation

Infinite Science GmbH

Maria-Goeppert-Str. 1
23562 Lübeck

E-Mail: info@dpc-conference.org
Tel: +49 451 5853 2900

Vorläufige Programmstruktur

Donnerstag Feb 10, 22

09:30 Uhr – 12:00 Uhr	Workshops
09:30 Uhr – 11:00 Uhr	Science Slam
12:30 Uhr – 19:00 Uhr	Scientific Sessions

Freitag Feb 11, 22

08:30 Uhr – 19:00 Uhr	Scientific Sessions
19:00 Uhr – 20:00 Uhr	Mitgliederversammlung DPC e.V.
ab 20:15 Uhr	Conference Dinner und Preisverleihung

Samstag Feb 12, 22

08:30 Uhr – 10:00 Uhr	Side Symposium Pancreatology in Eastern Europe
09:00 Uhr – 14:00 Uhr	Scientific Sessions
14:00 Uhr	Verabschiedung

Das finale Programm wird nach Abschluss des Submission- und Reviewprozesses durch das Programmkomitee veröffentlicht.

Programm Donnerstag, 10.02.22

 Workshop 1: Robotic Pancreatic Surgery 09:30 - 12:00 (CET)	∨
 Workshop 2: Endoscopy in Pancreatic Disease 09:30 - 12:00 (CET)	∨
 Workshop 3: Molecular Tumorboard and Biobanking in Pancreatic Cancer 09:30 - 12:00 (CET)	∨
 Workshop 4: Ex Vivo Tissue Culture and Primary Cell Culture in Pancreatic Cancer 09:30 - 12:00 (CET)	∨
 Science Slam for Young Scientists 09:30 - 11:30 (CET)	∨
 Side Symposium: Scandinavian Baltic Pancreas Club (SBPC) Forum of Excellence t.b.d.	∨
 Mainstream Thursday, Feb 10, 2022 from 13:30 (CET)	∧

TIME (CET)	TITLE
from 12:30	Registration and Industrial Exhibition
13:30	Welcome Session and Greetings Prof. Dr. med. Tobias Keck, Prof. Dr. med. Jens U. Marquardt, Prof. Dr. med. Nikolas von Bubnoff, Prof. Dr. med. Ulrich F. Wellner
14:00	Presidential Session Keynote 50 Years of Pancreatic Surgery - First Hand Experience Prof. Dr. Andrew Warshaw (Boston, MA, USA)
14:30	Session 1 Pancreatology - Clinical and Translational Keynote Walter Halanck Memorial Lecture Stem cells in Pancreatic Cancer Prof. Dr. Alexander Kieger (Ulm, Germany) Keynote Development of Pancreatic Surgery in Russia Prof. Dr. Alexey Shabunin (Moscow, Russia) Talks from selected abstracts
16:00	Poster I-III, Industrial Exhibition and Coffee
17:00	Session 2 Pancreatitis and Pancreatic Cancer Keynote Does the pathophysiology of chronic pancreatitis justify a conservative approach? Prof. Dr. Matthias Löhr (Stockholm, Sweden) Keynote Neoadjuvant therapy in pancreatic cancer - why I do it. Prof. Dr. Cristina Ferrone (Boston, USA) Talks from selected abstracts
18:25	Industrial Exhibition
19:15	Get together

Programm Freitag, 11.02.22

08:30 (CET) **Session 3 | Pancreatic Surgery**

Keynote | Robotic Pancreatic Surgery - The Cutting Edge of Visceral Surgery
Prof. Dr. Ugo Boggi (Pisa, Italy)

Keynote | Pancreatic Surgery after Neoadjuvant Therapy - The New Challenge
Prof. Dr. Tobias Keck (Lübeck, Germany)

Talks from selected abstracts

09:55 (CET) **Industrial Exhibition and Coffee**

10:15 (CET) **Session 4 | Clinical Trials and Novel Therapies**

Keynote | Curative Intent Treatment of Metastatic Pancreatic Cancer ? The METAPANC Study.
Prof. Dr. Julia Mayerle (München, Germany)

Keynote | Where is the Way to Personalized Oncology in Pancreatic Cancer ?
Prof. Dr. John Neoptolemos (Heidelberg, Germany)

Keynote | Minimally invasive pancreatic surgery - can it improve our outcomes ? Lessons from Dutch and European Trials.
Prof. Dr. Marc Besselink (Amsterdam, Netherlands)

Talks from selected abstracts

11:40 (CET) **Industrial Exhibition and Coffee**

12:00 (CET) **AG Pankreas Meeting**

12:30 (CET) **Poster IV-VI**

13:40 (CET) **Session 5: Endoscopy**

Keynote | Advanced Endoscopic Management of Pancreatitis
Prof. Dr. Alexander Arlt (Oldenburg, GER)

Keynote | Endoscopy (or Radiology) in Diagnosis and Follow-up of Cystic Neoplasms of the Pancreas ?
Prof. Dr. Albrecht Neeße (Göttingen, GER)

Talks from selected abstracts

15:05 (CET) **Industrial Exhibition and Coffee**

15:35 (CET) **Session 6 | Pancreatic Cancer**

Keynote | Matrisome in pancreatic cancer
Dr. Andrew Liss (Boston, MA, USA)

Oxford Discussion | Pro resection: Branch duct type IMPN - observe or resect
Prof. Dr. Oliver Strobel (Vienna, AUT)

Oxford Discussion | Pro observation: Branch duct type IMPN - observe or resect
Prof. Dr. Giovanni Marchegiani (Verona, Italy)

Talks from selected abstracts

17:00 (CET) **Industrial Exhibition and Coffee**

17:15 (CET) **Session 7 | Pancreatitis**

Keynote | Walled of pancreatic necrosis and other nasty aspects after pancreatitis
Prof. Dr. Nicolas Zyromski (Indianapolis, USA)

Keynote | Hereditary Pancreatitis - A perspective
Prof. Dr. Markus Lerch (Greifswald, Germany)

Talks from selected abstracts

18:40 (CET) **Industrial Exhibition**

19:00 (CET) **General Assembly**

20:15 (CET) **Conference Dinner and Award Ceremony**

Programm Samstag, 12.02.22

 Side Symposium: Pancreatology in Eastern Europe Digital only	
	<p>Development of Pancreatic Surgery in Azerbaijan Prof. Dr. Mubariz Aliev (Baku, Azerbaijan)</p> <p>Surgery for Chronic Pancreatitis in Georgia Prof. Dr. Georgi Gerliani (Batumi, Georgia)</p> <p>Advanced Surgery for Pancreatic Cancer in Georgia Prof. Dr. Ilya Gotsadze (Tbilisi, Georgia)</p> <p>New Conception for LA-PDAC: Arterial Resection and Reconstruction first Prof. Dr. Vyacheslav Ivanovich Egorov (Moscow, Russia)</p> <p>Minimal Invasive Pancreatic Surgery in Russia Prof. Dr. Igor Khatkov (Moscow, Russia)</p> <p>Complex Pancreatic Cancer Surgery in Ukraine Prof. Dr. Alexeyi Dronov (Kiew, Ukraine)</p> <p>Multimodal Pancreatic Cancer Treatment in Ukraine Prof. Dr. Sergyi Zemskov (Kiew, Ukraine)</p> <p>Management of Acute Pancreatitis in Ukraine Prof. Dr. Tetiana Formanchuk (Vinnitsia, Ukraine)</p>
09:00 (CET)	<p>Session 8 NETs</p> <p>Keynote Molecular Biology of pNEN PD Dr. Sebastian Krug (Halle, Germany)</p> <p>Keynote Molecular Imaging and Therapy in pNEN Prof. Dr. Richard Baum (Bad Berka, Germany)</p> <p>Talks from selected abstracts</p>
10:25 (CET)	<p>Industrial Exhibition and Coffee</p>
10:45 (CET)	<p>Session 9 Tumor Microenvironment, Stem Cells, Epigenetics</p> <p>Keynote EMT in Pancreatic Cancer PD Dr. Marc Stemmler (Erlangen, Germany)</p> <p>Keynote Postoperative Pancreatitis : A new Paradigm to Overcome Surgical Complications? t.b.a.</p> <p>Keynote Epigenetics in Pancreatic Cancer Prof. Dr. Elisabeth Hessmann (Göttingen, Germany)</p> <p>Talks from selected abstracts</p>
12:30 (CET)	<p>Industrial Exhibition and Coffee</p>
12:30 (CET)	<p>Session 10 Cystic Lesions</p> <p>Keynote Innovative Diagnostics in Cystic Neoplasms of the Pancreas Prof. Dr. Hanno Matthaei (Bonn, Germany)</p> <p>Keynote IPMN and Diabetes Dr. Elaria Pergolini (Heidelberg, Germany)</p> <p>The Way to Big Data in IPMN: iCyst App and GERPACYST registry Prof. Dr. Giovanni Marchegiani (Verona, Italy)</p> <p>Talks from selected abstracts</p>
14:00 (CET)	<p>Farewell and Invitation DPC 2023</p>
